

3rd PUBLIC NOTICE

\$2,000 REWARD OFFERED!

At their September 26, 2009 meeting, the Board of Directors approved a reward of \$2,000 for information that leads to the arrest and conviction of the persons responsible for the burglaries that have occurred in Hemlock Farms during the past ten months. To qualify, an individual shall provide written information to the Public Safety Department that leads to the arrest and conviction of the criminal(s). All information will be kept confidential and will be provided to the PA State Police.

NOTE: As of the time of this writing, NO additional break-ins were reported since the Labor Day Weekend. Please remain vigilant and report any suspicious activity to Public Safety.

We Need Your Help

Report any suspicious activity you see, such as:

- Unrecognized individuals walking around the neighborhood, on the roads or in the woods, especially near houses with no vehicles in the driveway.
- Slow moving vehicles making repeat passes on your street.
- Vehicles parked in courts, along roads or at known unoccupied houses.

If you see anything unusual, call Public Safety at 775-4242 and they will immediately investigate.

PROTECT YOURSELF:

- Lock all windows, doors and vehicles every time you leave your property for any period of time.
- Put interior lights on a timer when you are away from home.
- If you will not be home for an extended period of time, have someone take in your refuse containers from the curb and if you receive newspaper delivery, have a friend pick the papers up on your behalf so the papers do not remain outside of your home.
- Lock all doors even when you are at home, just to be on the safe side.
- If possible, secure your valuables in a locked location inside the home.
- Be cautious when hiring contractors and be sure to supervise any work within the home.
- Double check to be sure windows and doors are secured after contractors complete any work in the dwelling.
- If you have an alarm system, use it each time you leave the house.
- Network with your neighbors to report suspicious activity.
- Report hang-up phone calls to Public Safety.

Working together we can solve this rash of burglaries. *Remember, "if you see something, say something".*

Thank you
