

Hemlock Farms Community Association

A Private Residential Recreational Community

Emergency Contact Card

The department of Public Safety is currently updating their Contact Cards for Hemlock Farms residents. This will enable us to contact someone on your behalf in case an emergency arises.

Examples of when this card would be utilized are as follows:

1. If you are staying alone at Hemlock Farms and suddenly suffer a serious health ailment that renders you unconscious, we will be able to contact someone for your medical history. **(Any special needs, i.e. oxygen or handicapped, note on back).**
2. If your home should sustain property damage and we are unable to contact you at your home phone number, we will be able to contact someone on your behalf.

The contact numbers you provide will enable the Public Safety Staff to contact a family member or close friend and advise them of the emergency situation you face. We have had problems in the past, especially when trying to contact residents who travel during the winter months to Florida and elsewhere.

The Contact Cards will be kept at Public Safety, which is staffed 24 hours a day, 365 days a year. Please fill out the form and return it, *as soon as possible*. Please use the reverse side of the form for any additional information you feel will be helpful to us.

Please detach and return to Public Safety
